

The Basket Bag

The basket gets simplified! Sidelines, Inc., introduces its latest, elegant innovation, the Basket Bag. Featuring a sleek, black synthetic fabric and mesh finish, this fully-lined hamper bag is a snap to install or use. Lift the bag from its frame using the fold-down handles. Then simply rest it back in its frame to return it to our patented, ball-bearing basket slides. It's that simple.

- Available in multiple widths and depths
- Frames available in polished chrome or brass
- 30" Width unit designed with two separate bags, smaller units have center divider panel
- Black double-stitched seams for heavy-duty usage
- Lightweight for dramatically reduced freight costs and ease of use

30 inch model sports separate, lift-out bag compartments on one frame

Bag frame rests on basket frame connected to ball-bearing slide runners
