

## FOR IMMEDIATE RELEASE

**MARCH 8, 2010: Double Your Accessories Space with the Double Deluxe Rack**

**Double Deluxe Hardware Rack**  
(SKU# DHB-SN-P) above, combined with a deluxe sliding tie rack and stationary belt rack.

COMING SOON! Sidelines, Inc., soon will be introducing an addition to one of its most popular accessories. If you've ever looked at Sidelines' Deluxe Tie or Belt Racks thinking, "I wish I could get both belts and ties on this," now you can! With the simple addition of a new double rack hardware plate, any signature Sidelines' Deluxe Tie, Belt or Valet Rack can be converted to hold double the capacity. Imagine – Twice the collection of ties. Twice the number of belts or any combination thereof. It's that easy!

**Double Deluxe Hardware Rack**  
(SKU# DHB-BN-P) above, combined with a one deluxe sliding tie rack and one stationary tie rack.

- Fits 14" + deep sections
- Requires separate purchase of one sliding tie, belt or valet rack and one stationary-mount tie or belt rack
- Hardware plate replaces existing plate in single sliding tie, belt or valet rack

The **Double Deluxe Hardware Rack** consists of the new hardware plate (SKUs listed below) plus one sliding rack and one stationary rack to create the combined **Double Deluxe Rack** (as shown in the photos at left). To learn more details about this and all our deluxe accessories, call today or visit <http://www.sidelinesinc.com>.
