Sidelines, Inc., introduces its latest, elegant innovation, the Basket Bag. Featuring a sleek, black synthetic fabric and mesh finish with double-stitched seams, this fully-lined hamper bag is a snap to install or use and is available in multiple widths and depths. Lift the bag from its chrome or brass frame using the fold-down handles. Then simply rest it back in its frame to return it to our patented, ball-bearing basket slides.

Release 6.01.01
