Sidelines® is proud to introduce its latest and most seductive finish, Black Pearl. Available now on Sidelines' signature baskets and other accessories. This finish is superbly matched with rich wood grain or solid finish closet cabinetry.

Black Pearl is a unique, dark polished chrome finish, made with layers of copper, nickel, black chrome and clear, gloss epoxy. Our patented baskets, finished in Black Pearl, are matched with full extension, ball-bearing slides in Black Pearl finish as well. And for a truly titillating

impression, enhance the Black Pearl baskets with our scandalously luxurious, black velvet basket liners (sold separately).

Call today for pricing information. Experience the best with Sidelines!
