Sidelines® introduces an old world charm blended with modern design with its newest finish, Oil Rubbed Bronze. Available now on Sidelines' signature basket systems and our deluxe, sliding tie, belt and valet racks, and other accessories, this matte finish is superbly matched with rich wood grain or solid finish closet cabinetry.

Oil Rubbed Bronze reflects lustrous undertones of copper and highlights of liquid amber. This finish is completed with a protective clear epoxy top coat.

Call today for pricing information. Experience the best with Sidelines!
