Sidelines, Inc., the industry's leading manufacturer of luxury closet accessories, is pleased to introduce its Satin Nickel finish, now available on its ever-expanding product line. Satin Nickel, an elegant matte finish, is unlike similar finishes from other manufacturers; five separate alloy and clear epoxy layers are meticulously applied for longevity and to preventing scratching. Satin Nickel is available

on everything from Sidelines' deluxe accessories, shelf fences and baskets, to hardware, spice and wine racks...and even the fabulous new sliding pants rack, so now you can blend design aspects in each part of the home. All products available now for ordering.
